Welcome to West Bay Mews

A Bespoke Collection of Four Luxury Detached Homes by the Sea

Tucked just off St Clements Road in the heart of Westgate-on-Sea, West Bay Mews offers an exclusive opportunity to own one of only four meticulously crafted, modern detached homes. Just moments from the award-winning Blue Flag beaches and bays, this bespoke development blends seaside charm with sophisticated living.

Each of these homes is generously proportioned, offering three sumptuous double bedrooms, including a striking and airy loft room with aluminium opening roof lights, and two elegant bathrooms. Designed with family living in mind, these homes feature ingenious storage solutions and optimal use of space, from the copious eaves storage and walk-in closet area to the utility room and understairs cupboards. Every property comes with two allocated parking spaces for your convenience.

Attention to detail is paramount, evident in the allure of the 'Beachhut' coloured aluminium front doors and the high-end material specifications. Revel in the luxury of a German-engineered handmade kitchen, complete with an instant Quooker hot water tap, Bosch

appliances, a distinctive designer oval bath, and anthracite radiators. The large bi-fold doors in the kitchen-diner area seamlessly blend indoor and outdoor spaces, perfect for alfresco dining.

These homes are not only luxurious but also eco-friendly, with efficient and sustainable heating provided by underfloor heating and Air Source Heat Pumps (ASHP). This ensures reduced energy costs, as ASHPs can be up to four times more efficient than equivalent gas boilers. For your peace of mind, all homes come with a 10-year Global Building Warranty.

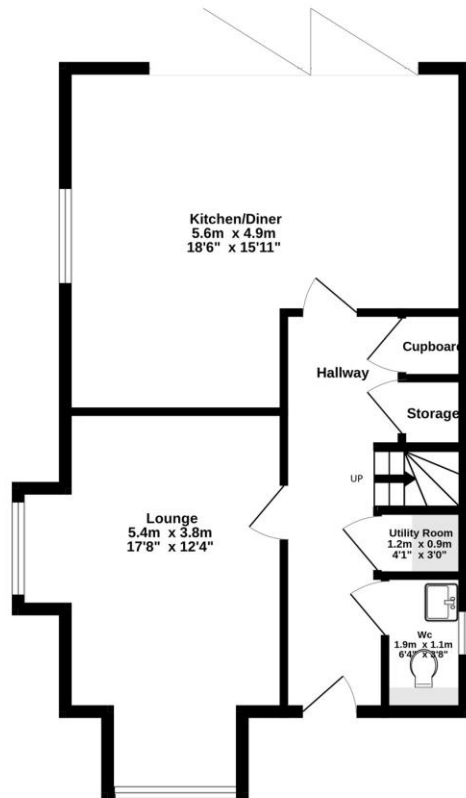

Nsquared Development embraces cutting-edge technologies and advancements in construction while upholding age-old principles and the highest standards.
